Qualifications

University of Amsterdam: MSc in Biochemistry (2016–2018)

Utrecht University: BSc in Life Sciences (2013–2016)

Vetted Tutor 

Personally Interviewed

Our tutors go through a rigorous selection process, having been interviewed to assess their teaching skills and subject knowledge. **They have extensive tutoring experience with a track record of success**, helping students achieve their academic goals.

Tutoring Experience

Over the last 6 years, I have worked with students of varying abilities and educational systems, including GCSE, IGCSE, and A-Level. My experience extends to tailoring lessons for students preparing for university admissions, as well as assisting with coursework and lab-based assignments in Biology and Chemistry. My academic background enables me to guide students in understanding complex scientific concepts with ease.
