Tutoring Experience

For the past 20 years, I've worked as a literature tutor, helping students master both GCSE and A-Level English Literature. My expertise includes teaching international curricula, such as IB Literature, and guiding students through advanced literary analysis of texts ranging from Shakespearean plays to contemporary novels.

Before transitioning to full-time tutoring, I taught in leading international schools in Japan, focusing on GCSE English and IB Literature. I have collaborated with students across Asia, Europe, and North America, ensuring they develop a strong foundation in literary techniques while achieving outstanding exam results.
