2006)

Vetted Tutor 

Personally Interviewed

Our tutors go through a rigorous selection process, having been interviewed to assess their teaching skills and subject knowledge. **They have extensive tutoring experience with a track record of success**, helping students achieve their academic goals.

Tutoring Experience

I have spent the last 16 years teaching and tutoring Geography to students from diverse educational backgrounds. My experience includes guiding GCSE and IGCSE students through core topics like physical landscapes and human geography, ensuring a solid understanding of exam requirements.

Beyond secondary education, I have supported A-Level and IB students in mastering advanced geographical concepts and fieldwork methodologies. I've also helped students prepare for university entrance exams, focusing on developing their research and analytical skills for competitive programmes.
