🎓 GCSE Tutor | Uppsala University | MSc in Computing Technologies

Holding an MSc in Computing Technologies from Uppsala University and a BSc in Computer Science from Lund University, I have 6 years of teaching experience. I specialise in GCSE Computer Science, A-Level ICT, and IB Computing, helping students master programming, cybersecurity, and digital design.

Teaches: GCSE Computer Science A-Level Computer Science IB Computer Science

Curriculum: GCSE A-Level IB

Qualifications

Uppsala University: MSc in Computing Technologies (2017–2019)

Lund University: BSc in Computer Science (2013–2016)

Vetted Tutor

Personally Interviewed

Our tutors go through a rigorous selection process, having been interviewed to assess their teaching skills and subject knowledge. **They have extensive tutoring experience with a track record of success**, helping students achieve their academic goals.

Tutoring Experience

For six years, I've supported students in understanding core computing concepts, such as programming logic, data structures, and cybersecurity. My experience includes teaching GCSE Computer Science and A-Level ICT at both private institutions and online platforms, ensuring my students are prepared for exams and practical challenges.

In addition to GCSE and A-Level tutoring, I have helped students navigate the IB Computing curriculum, focusing on topics like algorithm design and machine learning. My diverse background has enabled me to assist learners from various educational systems, fostering academic growth and confidence in technology.
