🎓 Experienced Tutor | Sorbonne University | MSc in Biochemistry

I earned an MSc in Biochemistry from Sorbonne University and a BSc in Chemistry from the University of Lyon. Over 12 years, I've taught GCSE Science and A-Level Chemistry, helping students in France, the UK, and Canada excel in exams.

Teaches: GCSE Science IGCSE Biology IGCSE Physics A-Level Chemistry

Curriculum: GCSE IGCSE A-Level

## Qualifications

**Sorbonne University:** MSc in Biochemistry (2009–2011)

**University of Lyon:** BSc in Chemistry (2006–2009)

Vetted Tutor

## Personally Interviewed

Our tutors go through a rigorous selection process, having been interviewed to assess their teaching skills and subject knowledge. **They have extensive tutoring experience with a track record of success**, helping students achieve their academic goals.

## Tutoring Experience

Over my 12-year career, I've supported students across various curricula, guiding them through challenging topics in GCSE Science and A-Level Chemistry. My experience includes one-on-one sessions and group tutoring for students preparing for exams under AQA, Edexcel, and IB standards.

I have worked extensively with international students, particularly those in IGCSE and IB programmes. Helping students understand complex topics in biochemistry, molecular chemistry, and physics has been central to my tutoring. Many of my students have gone on to achieve excellent grades and secure placements in prestigious universities.

Additionally, my experience extends to delivering targeted interventions and intensive exam preparation courses. From tackling key scientific principles to practising exam-specific techniques, I ensure that each session equips students with the confidence and knowledge they need to excel.
