Tutoring Experience

I have spent the past 12 years helping students excel in English Literature and Language at GCSE, A-Level, and IB levels. My work includes preparing students for essay writing, literary analysis, and critical thinking, which are key to succeeding in exams and coursework.

In addition to GCSE English, I've guided students through challenging IB Literature and A-Level courses, supporting them in mastering Shakespearean drama, 19th-century novels, and contemporary poetry. My students consistently achieve high marks and develop a strong appreciation for the power of literature.
