Tutoring Experience

For the past eight years, I've supported students in mastering GCSE and IGCSE Chemistry, focusing on various exam boards, including Cambridge and Edexcel. I provide tailored assistance in areas such as exam preparation, lab report writing, and understanding complex scientific principles. My experience extends to A-Level Chemistry, where I help students refine their analytical and problem-solving skills. My diverse background allows me to relate to students from different educational and cultural contexts, fostering confidence and academic success in their Chemistry studies.
