## Tutoring Experience

Over the past 13 years, I've supported students in mastering GCSE and A-Level Business Studies, guiding them through fundamental topics such as marketing, finance, and management. My expertise across multiple exam boards allows me to tailor my lessons to specific curriculum requirements, ensuring students build a thorough understanding of the subject matter.

I've taught students from diverse backgrounds, both in-person and online, adapting lessons to meet their unique learning needs. My students have not only excelled in exams but have also developed a keen interest in the world of business, many of whom have continued their studies at leading universities.
